

PERSONAL DATA PROTECTION POLICY

By filling in the ellaOne Pregnancy Registry (hereafter 'the Registry'), you are agreeing to provide your personal data to Laboratoire HRA Pharma (hereafter 'HRA Pharma').

I – Data Controller

HRA Pharma is the data controller in relation to personal data processed using the Registry and acts in accordance with the European personal data protection regulation (Regulation (EU) No 2016/679 of 27 April 2016).

II- Purpose of processing

The purposes of the processing of your personal data are:

- on the one hand, pharmacovigilance, which results from a legal obligation for HRA Pharma as a pharmaceutical company,
- on the other hand, the pursuit of high standards of quality and safety for the medicinal product ellaOne, for reasons of public interest.

III- Personal data

The types of personal data collected in the Registry are summarised below. These data are provided freely by patients or health care professionals. A failure to take part or to provide a response does not entail any consequences for these individuals.

Persons concerned	Personal data
Patients	Initials (the first three letters of your surname and the first letter of your given name) Date of birth Email address Country of residence
Health care professionals (doctor, gynaecologist, other health care professional)	Surname First name Professional postal address Phone/Fax Email address Medical speciality Affiliation

IV – Recipients of personal data

The recipients of your personal data as part of the processing of personal data are:

- the pharmacovigilance department of HRA Pharma,
- the HRA Pharma services suppliers InAdvans and A.T.E., which are the suppliers of the IT solution and health care data hosting respectively, in accordance with the standards imposed by the Public Health Code,

- the health care authorities (to meet legal obligations).

V- Duration for which your personal data will be kept

The period for which your personal data will be kept is ten (10) years from the end of the marketing authorisation for ellaOne, in accordance with the applicable rules in relation to protection of personal data and pharmacovigilance. At the end of that period of ten years, your personal data will be deleted.

VI- Your rights

In accordance with the applicable law, you can ask HRA Pharma to exercise your rights in relation to:

- accessing your personal data,
- rectification or erasure of your personal data,
- restricting the processing of your data,
- objecting to processing,
- data portability.

To exercise these rights, please contact the HRA Pharma Data Protection Officer at:

- dataprivacy@hra-pharma.com, or
- Laboratoire HRA Pharma, 200 avenue de Paris, 92320 Châtillon, France

In the event of a disagreement or dispute, you can lodge a complaint before the data protection authority in your country.

Cookies

For general information, natural persons may be associated, by the devices, applications, tools and protocols they use, with online identifiers such as IP addresses and 'cookies'. These identifiers may leave traces which, in particular when combined with unique identifiers and other information received by the servers, may be used to create profiles of the natural persons and identify them.

The Registry site uses a single cookie named 'PHPSESSID'. This cookie is essential for managing the user's session on the site. It is automatically destroyed when the user closes her browser or when the session expires.
